

Informational Meeting For Agents/Consultants

You are invited to attend an informational meeting hosted by the U.S. Army Corps of Engineers (USACE) Buffalo District. The purpose of the meeting is to provide an overview of the 1987 Corps Wetland Delineation Manual and associated Regional Supplements, including updates. Time will also be devoted to discuss uncommon, atypical scenarios that arise during delineations and how to handle them.

Meeting Date: Thursday, March 1, 2018

Time: 9:30am through 4pm

Note: Lunch and beverages are NOT provided. The Corps recommends bringing a lunch, including beverages and snacks. Lunch will be limited to half hour.

Place: Cuyahoga Falls Natatorium
2345 4th Street
Cuyahoga Falls, Ohio 44221

RSVP: Please respond no later than **February 19, 2018** by e-mail at LRB-OutReach-Events@usace.army.mil

Please include the following information:

Number Attending _____

Name, Phone or e-mail Contact Information of all those Attending:

Your attendance will be confirmed via e-mail. Presentation materials will be emailed a week prior to the meeting. Hard copies of the presentation materials will not be provided. Also, we recommend bringing a copy of the 1987 Corps Wetland Delineation Manual, 2012 NorthCentral/Northeast Supplement, 2010 Midwest Supplement, current hydric soils indicator book, and blank data forms.

If you have questions or topics that you would like discussed that are not listed on the agenda, please provide a brief description with your RSVP so that we may try to address the question/topic during the meeting.

If you have questions, please contact us at (716)879-4330, or at LRB-Outreach-Events@usace.army.mil
